

Letter to Outdoor School from a Parent

Hello,

Just a quick thank you for providing my son and his school with one of the greatest, everlasting memories. I have never heard him talk so fast and so much! Plants, soils—loam, rec-time, flag ceremony and the list goes on. Particularly “Turtle” a counselor in the Mallard Cabin was so great. He even told my son, Josh, good night each night. I am very appreciative of everything you do. Thank you so much,

A.N.
